- 10. Warranty disclaimer.** Licensor, and author of the software, hereby expressly disclaim any warranty for the software. The software and any related documentation is provided "as is" without warranty of any kind, either expressed or implied, including, without limitation, the implied warranties of merchantability, fitness for a particular purpose, or non-infringement. Licensee accepts any and all risks arising out of use or performance of the software.
- 11. Limitation of liability.** Licensor shall not be liable to licensee, or any other person or entity claiming through licensee of any PC/Computer damage, loss of profits, income, savings, or any other consequential, incidental, special, punitive, direct or indirect damage, whether arising in contract, tort, warranty, or otherwise. These limitations apply regardless of the essential purpose of any limited remedy. Under no circumstances shall licensor's aggregate liability to licensee, or any other person or entity claiming through licensee, exceed the financial amount actually paid by licensee to licensor for the software.
- 12. Entire agreement.** This EULA constitutes the entire agreement between the licensor and the licensee and supersedes all prior understandings of the licensor and licensee, including any prior representation, statement, condition, or warranty with respect to the subject matter of this EULA.
- 13. Additional provisions and/ or disclosures.**
- A) What information licensor will be collecting?** Name, address and email. Some installers do collect your PC ID and IP address to prevent multiple installations by the licensee. Feel free to use a VPN if you do not want to share your IP but make sure to run the un-installer each time you plan to do a full installation on the same PC or a new PC. Also using the un installer deletes your IP that was collected and we will no longer have a record of it. Credit card information is only collected from Flysimware's credit card charge Company. You can cancel the agreement from the credit card charge Company to remove your credit card information. And so by canceling you will have to re-enter your information the next time you make a purchase.
- B) How the information will be stored?** Name, address, email and based on some installers your PC ID and IP is stored in Flysimware's private database. Site uses SSL security.
- C) How Flysimware will be using information collected?** For the purpose of product sales or banning a customers registration key if our installer detects multiple cities.
- D) Whether or not you share that information with anyone else?** Flysimware does "NOT" share your information with 2nd or 3rd party.
